

DUMPSTERS

RBRAUN INC.
St. Nazianz, WI

“ ALL YOU HAVE TO DO IS ASK! ”

Designed & Manufactured by R Braun Inc.

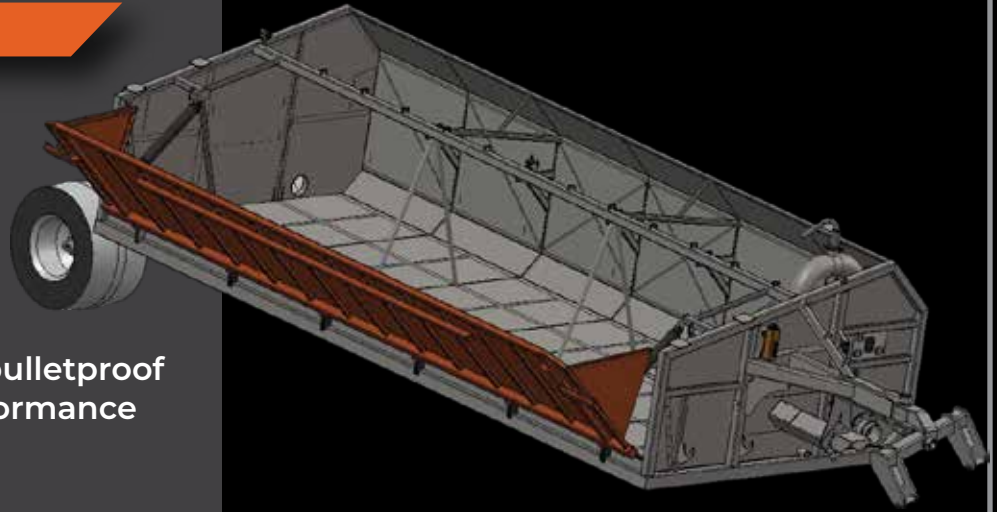

TT-1127 DUMPSTER

ADVANTAGES

- Narrower 11' wide design
- Full side door to help prevent sand/solids build up
- Options for agitation, load stand and hydrostat feeder kits
- Most reliable pump housing on the market

FEATURES

- 11,500 gallon peak capacity
- 2 pt style hitch
- 11' wide by 27' long
- 700 series flotation tires
- Nuhn Header Pump with the bulletproof mechanical seal and high performance cast housing

OPTIONAL RECIRCULATION PIPING, AGITATION KIT, HYDROSTAT KIT, AND FIELD LIGHT KIT

TT-1330 DUMPSTER

ADVANTAGES

Built to last on a heavy duty frame, the R Braun Inc. Dumpster is a manure transfer tank with a 15,500-gallon capacity and the ability to transfer 3,000 plus GPM when used with the appropriate support equipment.

FEATURES

- 15,500 gallon peak capacity
- A 2 pt hitch with extended pump shaft, allowing better turning clearance for tractors equipped with dual turning
- 26' road side door
- 700 series flotation tires
- 13' wide flared lower ditch corner, allowing the dumpster to sit in a ditch valley similar to an 11' wide dumpster
- Nuhn Header Pump with the bulletproof mechanical seal and high performance cast housing
- Splined large 1000 PTO for ease of removal for road transport
- RBI anti-air lock pump check valve.
- Rear hose/fitting basket
- LED work and road lighting package
- Rear strobe light

OPTIONAL IN TANK AGITATION SYSTEM, 8" OR 10" BOOM KITS, & HYDROSTAT KITS AVAILABLE

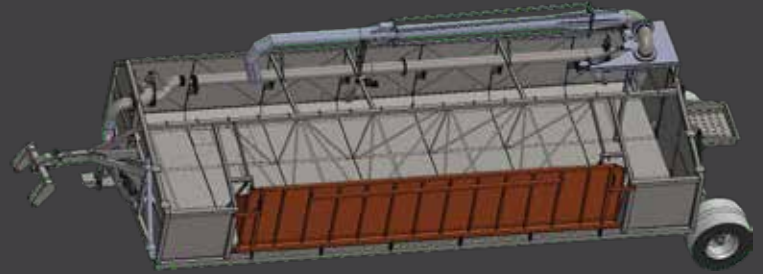

TT-1335 DUMPSTER

ADVANTAGES

Maximum Storage capacity to keep the tractor tankers or dragline moving! Minimize lost time from trucks waiting for room to empty off their loads. Keeps trucks moving where they are most efficient. The max capacity softens the wait time when a truck gets hung up at a stop sign or busy traffic times throughout the day.

FEATURES

- 18,000 gallon capacity
- 2 pt hitch for weight and turning radius
- 26' door
- 13' wide x 35' long tank
- 700 series flotation tires
- Nuhn header pump
- #9 large 1000 pto shaft
- Rear hose/fitting basket
- LED work and road light package
- Strobe lights and flashers under the open door

OPTIONAL IN TANK AGITATION SYSTEM, 8" OR 10" BOOM KITS, & HYDROSTAT KITS AVAILABLE
