

# Hose Carts

**The most hose friendly  
cart on the market!**

**Dome wrap design minimizes  
wear on hoses when rolling!**

DEALER INFORMATION

*Designed & Manufactured by R Braun Inc.*

# Twister 8010

- Single axle pivoting hitch hose reel
- 710-45R22.5 large flotation tires
- High torque/high speed driven motors
- Heavy duty double taper roller bearings
- 27000lb axle with leaf-spring suspension
- LED road light package
- Dual LED work and beacon lights
- Large storage basket

## Advantages...

- Large hydraulic motors to pull stubborn/muddy hose
- Case drain ports to extend motor life
- Articulating hitch pivoted off the main frame
- Dual beacon to enhance visibility for oncoming traffic
- Higher ground clearance
- Tapered end domes

13' transport width

All hydraulically powered functions

# Twister 1012

- **710-45R22.5 high flotation tires**
- **LED light package**
- **LED strobe lights, front and back**
- **High torque/high speed pulling motors**
- **Heavy duty drum bearings**
- **Tapered end domes**
- **Optional: Hydraulic or Air Brake package**

## Advantages...

- **Unique pivot design allows 180 degrees of drum rotation**
- **Large hydraulic motors to pull stubborn/muddy hose**
- **Case drain ports to extend motor life**
- **13' transport width**
- **Excessive strobe lights to enhance visibility for oncoming traffic**
